WELCOME TO OUR SCHOOL

DENNIS C. ARIOLA

SCHOOL PRESIDENT/ CHIEF EXECUTIVE OFFICER

Dear Dunwoodians,

I want to take a moment to thank our parents and guardians, who supported our dear students all year. It has been a journey that started with small steps, but one that has taken us to remarkable heights. We have encountered some trials and errors along the way...we pursued and came out stronger. We have experienced exceptional moments, magical moments and created memories that will be fondly remembered forever. A wise man once said, "Coming together is a beginning; keeping together is progress and working together is success." As we look back over this school year and the years before, certainly there was a beginning, and thankfully there was also progress and yes - undeniably we have been successful! We are gathered here together to celebrate our success. Steadfast, resolute and determined we all kept together. Day-by-day we focused on our goal, keeping together and working together. We faced some incredible and memorable moments - moments that we chose to use as stepping stone as we pursue our goals. And what progress we made in - academic, sporting, cultural and community service. The end result Ladies and Gentlemen of our coming together, keeping together and working together, in spite of the obstacles that we may have faced along the way... that end result is the Class of 2024. How proud we are of the success that they have made with the opportunities that they were offered. Congratulations! May your years ahead continue to be characterized by empathy, compassion, objectivity and a willingness to take risks. May you always lead by example and work hard and play straight. May your successes be many and your hardships be few and far between. I wish you everything that you so deserve in the years ahead - it has been an honor and a privilege watching your progress and success!

JUNIOR HIGH SCHOOL GRADUATE

LUMAUIG, KYLE RANDY
PEREZ

Graduation Speech

Good day, everyone! I would like to welcome our President, Sir Dennis, our teachers, school staff, guests, classmates, and parents. I hope you all had a safe journey coming here. Let me borrow a quote from Lao Tzu: "The journey of a thousand miles begins with one step." First, I want to thank my parents for being the guiding light in my life. I also want to thank Teacher Maegan for being our classroom advisor; Teacher Tine for helping me feel more comfortable speaking in Tagalog; Teacher Jonas for helping us understand all those confusing equations; Teacher Jesse for teaching us about the fascinating parts of our world; Teacher Janet for introducing us to the structure of DNA; Teacher Gladys for teaching us various sports; and Teacher Flor for helping us learn about the different aspects of cooking. I would also like to thank the school staff for taking care of our school, and my classmates for being my friends and confidants especially when they helped me understand lessons I found difficult. I remember when we were in Grade 10 and worked together to create a haunted room for Halloween. It was tough to set up, but in the end, we created an experience that was fun for everyone. We learned to use our individual strengths to contribute to the group and became more cooperative in our own ways. Our bond grew stronger through the events we experienced together. I also remember the fun and competitiveness we had when trying to answer as many questions as possible in class. That memory takes me back to our Grade 9 field trip. We rode a bunch of rides it was so much fun! Experiencing all those moments with my friends was truly unforgettable, and I hope I'll be able to feel that same joy again in the future. Through all of these experiences, I became more open to trying things I never would have before. I learned to share my ideas with those around me. I would not have been able to grow without the support of my family and friends. Thank you for making this journey memorable it wouldn't have been the same without you, my friends. I hope all of you continue to enjoy the journey you're on. I believe you will each find a path that brings you happiness. The future is a journey full of uncertainties, but what we can do is have the courage to move forward with the support of our families and friends. Education is the stepping stone to achieving our dreams and aspirations. As the youth, we have the ability to leave a mark on the world and inspire others to reach for their goals. I've enjoyed our time in the classroom, especially when we worked together on group projects like the many roleplays we did and all the hours we spent practicing. I will truly miss these moments in my life, but the journey must continue. So once again, thank you to my parents, my teachers, and my classmates. I hope you all have the courage to take the first step on your own journey.

ELEMENTARY SCHOOL GRADUATE

MORILLO, LOUIS INGRID
GARCIA

Graduation Speech

Good day everyone. To the president of this school, Sir Dennis C. Ariola, vice president, Dr. Leo B. Galve, our academic coordinator, Ms. Leonora G. Cruz, our assistant coordinators, my dear teachers, hardworking staff, my fellow students, schoolmates, friends, and parents along with our honorable guests. Ladies and gentlemen, a pleasant and wonderful day to us all. After traversing the bumpy path of our personal life and school schedule, we finally reached the end of the school journey. Today is the day where we are finally recognized and honored for our hard work and efforts. "Success is the sum of small efforts, repeated day in and day out." Today, we celebrate those small efforts on this special day our Recognition day. After all those obstacles and hardships, we are finally here on this beautiful day. Today is not just about medals and certificates it's about the memories we've made, the lessons we've learned, and the friendships we'll always treasure. I am so honored to be able to speak in front of such wonderful people. Without the support of my family and friends, I wouldn't be where I am today. So today, I'd like to express my gratitude to you all for being by my side up to this day. Thank you, to my adviser, Teacher/Sir Jovel Belison, for being an amazing guide in not only my journey, but to all his students. He was a great teacher who had so much patience and integrity with his students, no matter how mischievous and troublesome they were. I'd also like to thank my other middle school teachers who have showed kindness and care in every lesson. Thank you, Ms. Julie, Sir Jonas, Ms. Rochelle, Sir Erwin, Ms. Jesse, and last but not the least, Sir Justin for being our splendid guides. You are true heroes. Thank you, my parents and family for being my first support in everything I do. I wouldn't even been in this amazing school without you. Even though I faced multiple challenges, you helped me face them with great motivation and optimism. Lastly, thank you my friends and the rest of the grade 6 students, for filling this school year and all those years before with laughter, camaraderie, and memories. Without you, I wouldn't be who I am today. I would also like to express my gratitude to our Lord God, we couldn't accomplish all of this without His help. Everybody helped me differentiate right and wrong and helped me become a good person. Thank you for supporting and cheering us on even if we had our doubts! Grade 6 was not easy, that's for sure! But it was more exciting than the previous year! We got to experience events that help us prepare for high school. Those experiences helped our minds become stronger and smarter and build our confidence and determination to move forward. We all have different abilities and opinions, yet we still worked together and break through our comfort zones as a family. Even if we go to different junior high schools next year, the friendships and memories we've shared will always be part of who we are. Speaking of the future, my fellow graduates, we are finally moving on to junior high school. But this, is not the end— only a new beginning! Let's face this new chapter of our story with courage, determination, and strive for the better. Let's keep dreaming, keep learning, and always remember to do our best. The world needs young people who are smart, kind, and brave. Let's be those people. After all these amazing times, we reached the conclusion. For all those people, friends, family, teachers, and staff, thank you for all the times you made our day brighter and the journey lighter. For the people who believed in me even when I doubted myself— I thank you all from the bottom of my heart. "You're off to great places. Today is your day. Your mountain is waiting, so... get on your way!". No matter what, don't stop striving for the best! Thank you everyone for this amazing school year, This is Louise Ingrid Morillo signing off.

FACULTY AND STAFF

MEET THE DUNWOODY ACADEMY TEAM SCHOOL YEAR 2024-2025

At Dunwoody Academy, we take pride in our dedicated and passionate team of educators and staff members. Our faculty is composed of professionals who are committed to nurturing the academic, emotional, and social development of every learner.

The Admin, Faculty, and Staff for this school year represent a diverse team of experienced mentors and fresh talents working collaboratively to uphold the school's mission, vision, and core values. From our academic leaders and class advisers to our support staff, each member plays a vital role in delivering quality education and building a safe, dynamic learning environment.

Together, we look forward to guiding your children through a successful and meaningful school year!

SCHOOL EVENTS S.Y. 2024-2025

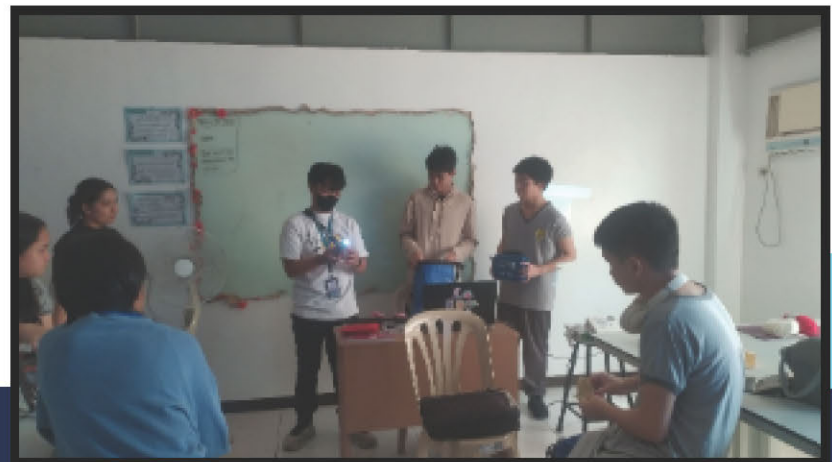

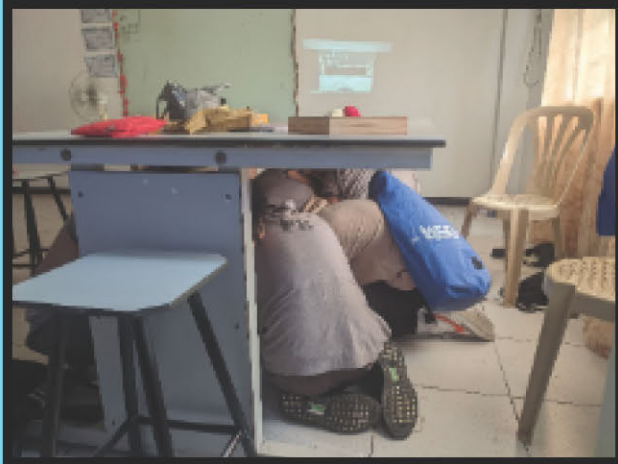

UNITED NATION

Every October, schools across the Philippines celebrate United Nations Month to honor the founding of the United Nations and to promote peace, unity, and cooperation among nations. This celebration highlights the importance of cultural diversity, global citizenship, and the shared responsibility of building a better and more sustainable world. Through this event, Filipino students learn the values of respect, equality, and international solidarity, fostering a deeper appreciation for different cultures and a commitment to global peace.

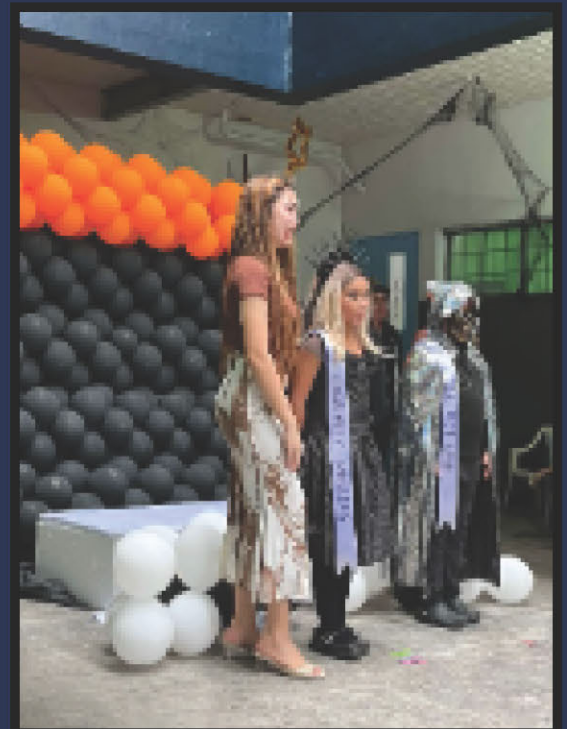

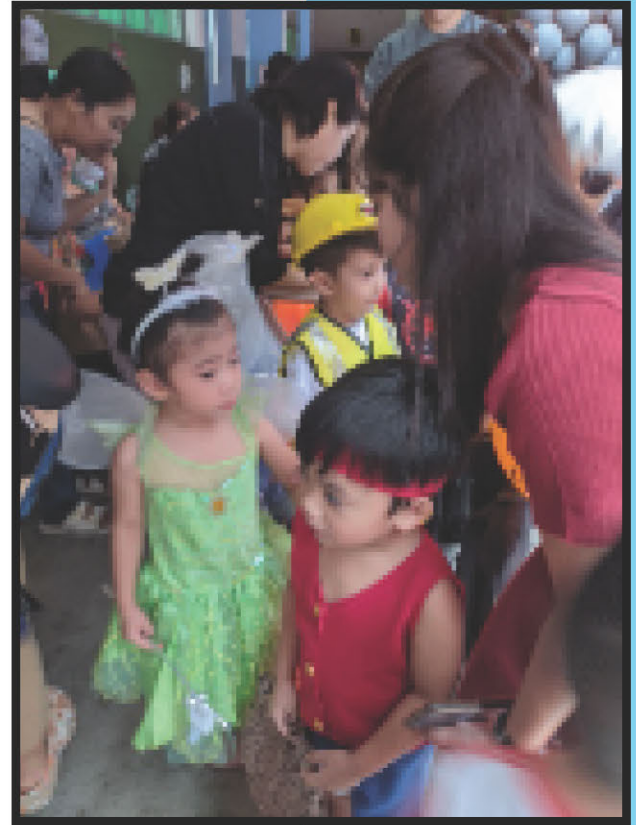

FIRE DRILL

A fire drill is a vital safety exercise conducted to prepare students, teachers, and staff in case of a real fire emergency. It helps ensure that everyone knows how to evacuate the school building quickly, calmly, and safely. By practicing proper procedures during a fire drill, we can reduce panic and confusion, and most importantly, save lives. Your cooperation and attention during this drill are essential to keeping our school community safe and prepared at all times.

HALLOWEEN

Halloween is a fun and festive celebration enjoyed by children and adults around the world. Traditionally observed on October 31st, it's a time for creative costumes, spooky decorations, and exciting activities like trick-or-treating and games. In schools, Halloween encourages imagination, self-expression, and a sense of community through fun-filled events. More than just a day of scares and sweets, it's also an opportunity to celebrate safely and joyfully with friends and classmates.

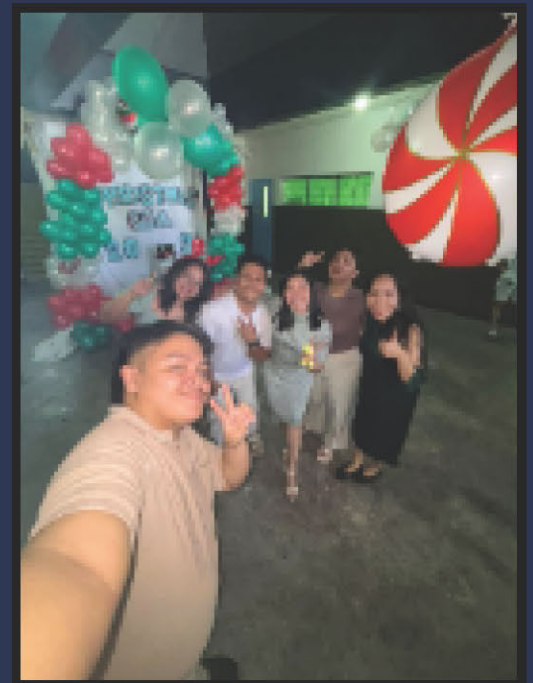

SCHOOL
LOGO

CHRISTMAS

Christmas is a season of joy, love, and giving. Celebrated every December 25th, it is one of the most cherished holidays in the Philippines and around the world. This festive occasion brings families, friends, and communities together to share in the spirit of kindness, generosity, and hope. In schools, Christmas is a time to celebrate the values of unity, gratitude, and togetherness through songs, dances, and meaningful activities that reflect the true essence of the holiday season.

FIELDTRIP

An educational field trip is a valuable learning experience outside the classroom, where students explore new environments, connect lessons to real-life settings, and develop a deeper understanding of the world around them. It promotes curiosity, teamwork, and critical thinking while making learning fun and memorable. Through this field trip, we aim to enrich our students' knowledge, broaden their perspectives, and inspire lifelong learning beyond school walls.

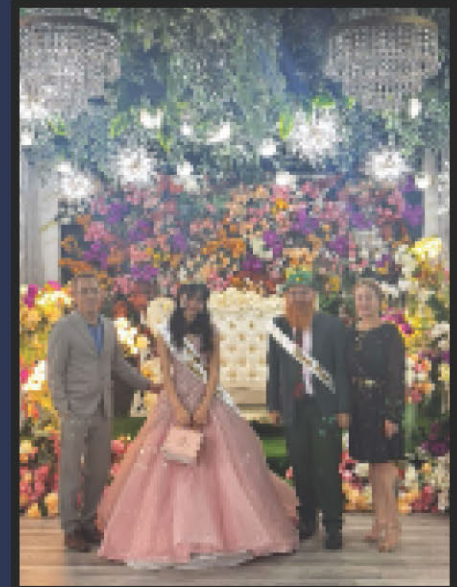

SCHOOL
LOGO

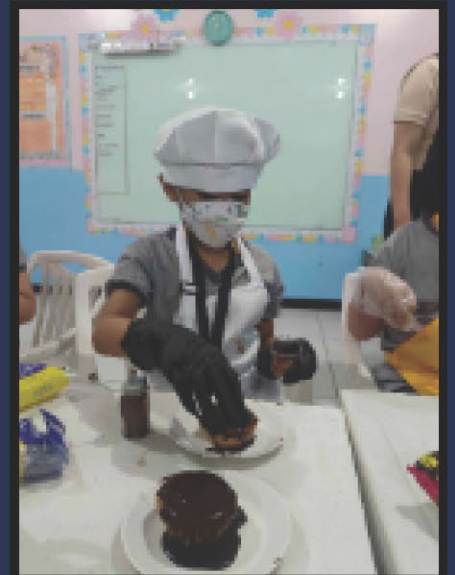

SOIREE

A soiree is a special social gathering that brings together students from different schools or sections to build friendships, enhance social skills, and create lasting memories. It's a night of fun, music, and meaningful interactions where students learn the value of respect, confidence, and camaraderie in a relaxed and enjoyable setting. More than just a party, a soiree is a celebration of connection, personal growth, and positive relationships among the youth.

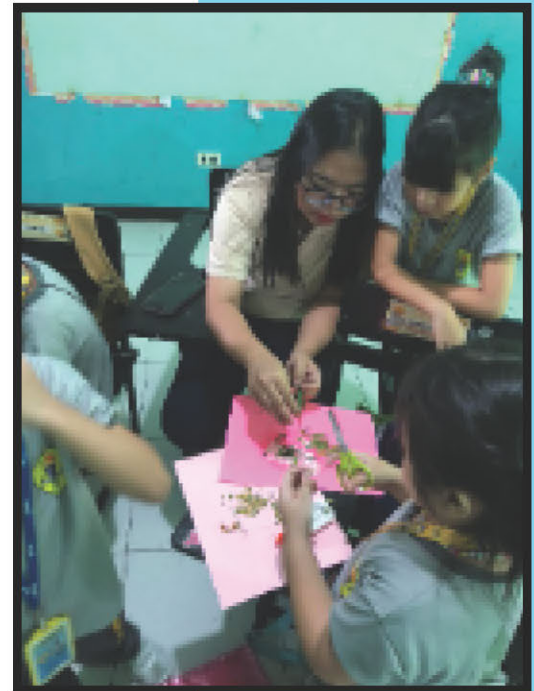

CLUB DAY

Every Friday is Club Day, a fun and engaging part of our school week where students explore their passions, discover new interests, and develop valuable life skills beyond the classroom. Through a variety of exciting activities such as cooking, dancing, swimming, martial arts, badminton, and arts and crafts, students have the opportunity to learn, create, and grow in a supportive and enjoyable environment. Club Day encourages creativity, teamwork, and personal development, making learning both meaningful and memorable.

CLUB DAY

CLUB DAY

VISION:

Dunwoody Academy Inc. known as “Dunwoody Academy” adheres to the exigency of the child’s full potentials in the environment of independence and education for life.

MISSION STATEMENT:

In the realization of the Vision, Dunwoody Academy commits itself:

Intellectual

To develop the thinking abilities of pupils, clarify the picture of the universe, and nurture discipline to improve and sustain intellectual proficiency.

Emotional

To refine emotional responses of pupils through encouraging them to feel, respecting the uniqueness of others, and conquering anxieties brought by the challenges of life;

Physical

To support the pupils to understand, discover, and adopt the lifestyle habits most appropriate and beneficial to their mind and body;

Spiritual

To nurture the potential for each pupil to lead a full, free, joyful, and healthy life through the development of conscience; and

Social

To teach the pupils to interact to people, places, and situations as requisite of their relational potentials.

Core Values

Independence

Discipline

Respect

Brief History

Dunwoody Academy was formerly named Smarty Montessori School (Pasig City Branch), Inc. established as an extension school of Smarty Montessori School in Cogeo, Antipolo City. The start of its operation was in June of 2008, to complete preschool and grade school in the former location at #51 A. Rodriguez Avenue, Santolan, Pasig City. However, after a year and 6 months of operation, the

Board

of Trustees decided to separate from Smarty Montessori School due to different management and educational philosophy. The Chairman of the Board of

Trustees

revamped the management of the school through appointment of two new members of the board of trustees to act as an advisor and principal respectively. By November of 2009, the application for Government Permit to

operate was

completed and was submitted to the Department of Education in Pasig. The Division Office of Pasig endorsed the application to Department of Education – NCR. Moreover, the President and Chairman of the Board of Trustees registered the new name of the school to Dunwoody Educational Foundation Inc.

permanently cutting the ties with Smarty Montessori School, Inc.

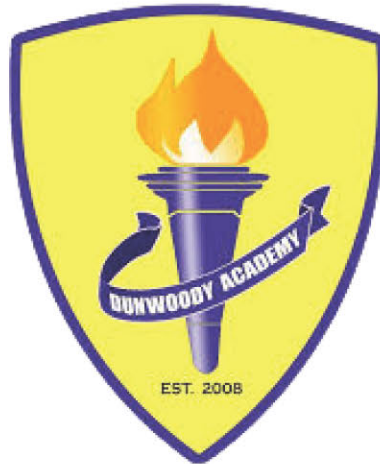

The school also became a member of the International Montessori Council in Sarasota, Florida, USA. On June 5, 2010, in compliance with the requirement of DepEd – NCR, Dunwoody Educational Foundation Inc. moved to 308-314, AD Square Building located at Amang Rodriguez Ave. corner Evangelista St. Santolan, Pasig City. The new location provides enough space for classrooms, library resource center, Home Economics and Practical Arts Laboratory, Science Laboratory and Administrative Offices.

In 2010, The Department of Education – NCR awarded Dunwoody Educational Foundation Inc. its recognition in Pre-School education and the government permit for Grade School education.

In 2017, Dunwoody Educational Foundation, Inc. has been renamed to Dunwoody Academy Inc. On September 2022 the school became a member of the International Schools Association (ISA) to truly implement learning methodologies based on the best practices of American and international pedagogy. It is the school's initiatives to provide a broad and balanced education

in internationalism for the required specialization and experiences in later years for our learners.
